

***NEWS UPDATE***

***COMET's Medical Outreaches  
2012-2013***

# Women Health Day

# Liver and GIT Day

# Kidney Day

# Diabetes Day Event

A diabetes day was held on 25<sup>th</sup> of May. Where people came during this day to check up for their blood sugar for zero charge

# Prepared Program

Those who knew they are diabetic or identified as such through our blood sugar test, were enrolled in a previously prepared program that included investigations like:

- Glycosylated hemoglobin (A1C Hemoglobin)
- cholesterol
- Albumin in urine
- kidney functions
- liver functions

Including a screening blood sugar test

They also received Fundus examination,  
general physical and diabetes focused  
examination.

All for less than half the charge.

# General and Pediatric surgeries

- General surgeries
